**FOR IMMEDIATE RELEASE**

**Jonathan White Set to Release New Recording – *Living the Good Life***  
*New Christmas Album – Christmas Classics - to Follow*

CANTON, Ohio – SGN Music Award Male Vocalist of the Year nominee **Jonathan White** is set to release *Living the Good Life* – his first studio album since the release of his critically acclaimed live album *Live at Chapel Hill*.

*Living the Good Life* was produced by Wesley Pritchard and Milton Smith and executive produced by White. The album features original songs written by industry leaders such as Steven Cheney, Jeff Ferguson, Sheldon Wade Mencer, Twila McBride-LaBar, Tery Wilkins, Niles Borop, Eddie Carswell, and many more. White also shared songwriting duties on the title cut "Living the Good Life" with Steven Cheney, Sheldon Wade Mencer, and Dan Adkins.

*Living the Good Life* also features classics such as Bill & Gloria Gaither's "It Is Finished" which showcases White's stellar vocals. The instant classic "Heroes" is dedicated to those whose ministry is outside of the church walls and corresponds with White's *Sometimes Miracles Hide* outreach to families of disabled children.

*Living the Good Life* also features two guest artists. The title cut highlights the extremely versatile style of vocal group **Valor**, while "I Am God" includes **Lauren Cheney** on duet vocals.

*Living the Good Life* will be released later this month and will be available to purchase through his homepage. Fans are encouraged to head over to SouthernGospelNews.com which is currently streaming four tracks from the new album.

Coinciding with the release of the new album will be Jonathan's sophomore Christmas recording – *Christmas Classics*. *Christmas Classics* includes holiday favorites such as "Let It Snow," "Blue Christmas," "Rockin' Around the Christmas Tree," "O Holy Night," and seven other timeless seasonal songs. The album also features a special duet with White's song, Austin, on "Rudolph the Red Nosed Reindeer." *Christmas Classics* will also be available at the end of this month.

Jonathan's current single, "Church For a Change," can be found on his latest studio album, *Freedom*, and was written by Cheri Mullins, Kenneth Mullins, and Mark Brian Willett. The song is currently sitting at #24 on the SouthernGospelNews.com Top 40 Weekly Chart.
